Subject Index to Volume 7

PAGE

A

Ageing of Human Skeletal Remains, Problem in..... 255
Alkaloid, Neutral and Acidic Poisons, Simultaneous Detection of..... 222
Analysis, Rapid Method of Spectrum..... 504
Aneurysm, Coronary..... 486
Automobile Drivers, Sudden Natural Death Among..... 274

B

Blood, Unknown, Dried, Zymogram Method for Characterization..... 480
Book Reviews.....249, 375, 525
Bullet, Test, Recovery..... 493

C

Carbon Monoxide Poisoning..... 103
Children, Prediction of Stature from Radiographs of Long Bones..... 474
Chromatography, Paper, Hydrolysis of Heroin..... 465
Chromatography, Paper, Simultaneous Detection of Poisons..... 222
Clinitest Tablets, Death from..... 357
Conference, Pretrial, Between Expert and Attorney..... 507
Coronary Aneurysm..... 486
Cranial Measurements, Race Identification from..... 147
Current Topics.....371, 507

D

Death, Estimating the Time of.....56, 189, 211
Death, Sudden Natural, Among Automobile Drivers..... 274
Death from Clinitest Tablets..... 357
Detection, Simultaneous, of Poisons in Human Tissues..... 222
Determination and Distribution of Doriden..... 499
Disinterments, Medicolegal..... 363
Document Examiner's Viewpoint, Preparation for Trial from..... 351
Doriden, Determination and Distribution of..... 499

E

Electrocution, Homicide by..... 516
Expert and Attorney, Pretrial Conference Between..... 507
Expert Witness, Procedure..... 371

F

Fire and Incendiarism..... 379
Forensic Investigations, Radio-Activation Analysis in..... 449

PAGE

Forensic Neuropathology.....1, 158, 303, 323, 431
Forensic Sciences, Membership in American Academy of..... 265
Fractures, Cranial, Complications of..... 323

H

Handwriting and the Mentally Ill..... 131
Hemorrhage, Intracranial..... 158
Heroin, Hydrolysis of, by Paper Chromatography..... 465
Homicide by Electrocution..... 516
Hydrolysis of Heroin by Paper Chromatography..... 465

I

Identification, Race, from Cranial Measurements..... 147
Identification of Work from IBM Selectric Typewriter..... 286
Incendiarism, Fire and..... 379
Injury, Craniocerebral..... 1

L

Lesions, Traumatic Extracranial and Cranial..... 303

M

Medicolegal Disinterments..... 363
Medicolegal Significance of Trauma to Spine and Spinal Cord..... 431
Mentally Ill, Handwriting and the..... 131
Myocardial Infarction, Succinic Dehydrogenase Stain in Autopsy Diagnosis 140

N

Narcointerrogation, Case Against..... 29
Neuropathology, Forensic.....1, 158, 303, 323, 431

P

Paternity, Double Exclusion of, by A-B-O and M-N Systems..... 520
Pharmaceutical Solid Dosage Forms, Reference Library..... 238
Photographs as a Mode of Communicating Testimony..... 82
Poisoning, Carbon Monoxide..... 103
Post-Mortem Changes, Chemical, in Intra-Ocular Fluid..... 231

R

Race Identification from Cranial Measurements..... 147
Radio-Activation Analysis, in Forensic Investigations..... 449
Radiographs, Long Bones, Children, Prediction of Stature..... 474
Reference Library of Pharmaceutical Solid Dosage Forms..... 238

S

Skeletal Remains, Human, Problem in Ageing of..... 255
Spectrum Analysis, Rapid Method..... 504
Spine and Spinal Cord, Trauma..... 431

PAGE

Stature, Prediction of, from Radiographs..... 474
Succinic Dehydrogenase Stain in Autopsy Diagnosis of Myocardial Infarction 140
Symposium—Fire and Incendiarism..... 379

T

Technical Section..... 499
Test Bullet Recovery..... 493
Testimony, Photographs as a Mode of Communicating..... 82
Time of Death, Estimating the.....56, 189, 211
Trauma to Spine and Spinal Cord..... 431
Trial, Preparation for, Document Examiner's Viewpoint..... 351
Typewriter, Identification of Work from IBM Selectric..... 286

W

Wounding Effect of Spherical Shot Falling Under Gravity..... 346

Z

Zymogram Method, Characterization of Unknown Dried Blood..... 480
